

For Immediate Release

July 19, 2007 Novato, CA

Professional Program Insurance Brokerage is now making the worlds' premiere legal services and business to business network and consultancy service available to all of its clients. For less than \$2.50/day your business will have access to the very top attorney firms in your state to assist and protect your business.

- Stay abreast of the business laws in your state
- Seek legal advice and counsel
- Review those contracts *before* you sign them

All without checking your bank account first to see if you can afford to check your rights. The **Business Solutions** or **Legal Plan for the Self-Employed** will provide those and a lot more services for your business.

What is the thing foremost on your mind about your business? Getting and keeping more customers! We are all in business to succeed, and simply being the best isn't enough in today's competitive age. You need business savvy, strategies, and the knowledge that only comes from experience. Our partner Fran Tarkenton has created **GoSmallBiz™** to provide you with the edge you need with questions regarding,

- marketing
- tax
- software
- zoning

Any advice you need to help grow your business is available through **GoSmallBiz™**. All from experienced business owners like you. Need a web presence? It's included!

Together **Pre-Paid Legal Services Inc.** and **GoSmallBiz™** provide small businesses with the same professional advantages that larger companies enjoy, but at a fraction of the price.
